De Koven explains that when players congratulate each other on a "well-played" game, they are expressing a unique and profound synthesis that combines the concepts of play (with its associations of playfulness and fun) and game (with its associations of rule-following).

The Well-Played Game: A Player's Philosophy by Mr. Bernie ...

The whole point, see, is that if you play well together, games are fun. That applies to every game from Checkers to football. This sterling thought has been directed at coaches, parents, educators, and a brand new category called ""play facilitators,"" which is what the author calls himself. Some people will do anything to get a job.
