The Will To Survive A

The Will to Survive describes how a small country, for much of its existence squeezed between two empires, surrounded by hostile neighbours and subjected to invasion and occupation, survived the frequent tragedies of its eventful history to become a sovereign democratic republic within the European Union. The Mongol, Ottoman, Habsburg, Nazi and Soviet empires have all since vanished; but Hungary, a victim of all five and despite suffering the consequences of being on the losing side in every ...

Just Survive. In the world of investing, you don't have to be bold. You don't need to find alpha. You just need to survive. This idea was brilliantly expressed by Meb Faber in Corey Hoffstein's Flirting with Models podcast (start around 36:00):. I think a lot of what applies to our world of professional management, but also investors, is you just wanna stay in the game...the biggest ...

The Will To Survive - Of Dollars And Data

The will to survive is the will to stay in one's body and keep the body healthy and alive. Some people seem to have this naturally, while others are either not oriented toward it, or not sufficiently ready to work in this direction. In fact, though, it is an achievement of great proportions for the purpose of promoting health and long life.
