friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

### **The Writing Life Annie Dillard**

Annie Dillard has spent a lot of time in remote, bare-bones shelters doing something she claims to hate: writing. Slender though it is, *The Writing Life* richly conveys the torturous, tortuous, and in rare moments, transcendent existence of the writer. Even for Dillard, whose prose is so mellifluous as to seem effortless, the act of writing can seem a Sisyphean task: "When you write," she says, "you lay out a line of words...."

A life of good days lived in the senses is not enough. The life of sensation is the life of greed; it requires more and more. The life of the spirit requires less and less; time is ample and its passage sweet. Who would call a day spent reading a good day? But a life spent reading -- that is a good life." — Annie Dillard, *The Writing Life*
