Hyundai Palisade Forums. Palisade Wheels, Tires, Brakes & Suspension Forum. Facebook Contact us RSS ... Drive belt is what typically drives the accessories (a/c, ps pump, alternator). This is different than a timing belt/chain. Click to expand... Oh, then your telling me there's a chance!! Lol. Quote Reply. Feb 21, 2020 #7 FFEMT6 Active member.

Timing Belt or chain | Hyundai Palisade Forum
A broken timing belt can bend the valves, have the car looked at by a mechanic. Changin my T-belt cost me like $400 for the LC (1.6L DOHC with p/s and a/c). Show Full Signature

Timing belt broke!! | Hyundai Forum: Hyundai Performance Forum
My timing belt broke yesterday on my 2004 Elantra while I was going 65mph. No noise, car just shut off. I have 152k mile on the car. I tried several things today and want to post my results to see what advice i can get. Today I replaced the timing belt, following a YouTube video.

Timing Belt Broke - what to do? - Hyundai Aftermarket
The serpentine belt is what drives all of your accessories (power steering pump, A/C, etc.). A timing belt/chain is what keeps your valvetrain "in time" (yes, I know, the terminology is highly convenient) with the rotating assembly. ... Timing belt replacement | Hyundai Genesis Forum
The timing chain does indeed need replaced, but not until around 100k miles depending on the type of driving the car got. I think hyundai recommends changing it at 80 or 100k miles. I would at least take it to be inspected. The pulleys and tensioners wear out over time, and will eventually let the chain develop slack.

Timing belt | Veloster Forum
Hyundai Forums Since 2004 Hyundai Forum is a community for all Hyundai Owners to talk and learn all about their favorite subject: Hyundai cars from the Sonata to the Elantra and even the new Kona!

Hyundai Forums
Hyundai. You should replace the timing belt on your Hyundai about every 60,000 miles. If you have a long commute or travel often in extreme weather, you may also have to replace its water pump at the same time. While that can be a costly repair package, preventative maintenance will save you thousands over time.

How to Know When to Replace Your Timing Belt
Hyundai told me my timing belt needed to be replaced about a year ago and it would cost like $200 to replace it...so now its been a year and I never got it replaced. ...
