Toyota Airjet Looms

The new JAT810 Air Jet Loom has inherited its legacy of superb performance, while pursuing even greater energy savings and versatility, combined with thoroughly thought out ease of use. Based on the underlying design concept of the JAT Series of "Weaving the highest quality fabric at the lowest possible cost," the JAT810 boasts a diverse range of original Toyota features, including an Air-Saving System that reduces energy consumption and the new "E-shed" electronic shedding motion.
