### Trading Democracy For Justice Criminal

Trading Democracy for Justice is a splendid work of social science that will be widely read and cited and whose astonishing findings will expand our attention to the ways incarceration affects people beyond those convicted of crimes." -- Katherine Cramer-Walsh, University of Wisconsin-Madison

### Trading Democracy for Justice: Criminal Convictions and ...

Trading Democracy seeks to demonstrate that criminal convictions, incarceration and community supervision directly suppress political participation, particularly in neighborhoods with higher concentrations of prisoners. This suppression occurs through two mechanisms.

### Trading Democracy for Justice: Criminal Convictions and ...

Burch provides a strong contribution and extension to this line of research by examining the myriad and diverse ways that the criminal justice system affects neighborhood political participation. . . . Trading Democracy for Justice would be a great text for graduate seminars in sociology, criminology, and political science. Researchers studying stratification, incarceration and inequality, and political participation would all find this book to be quite useful."
